

FRAME-MATE™

Mobile Frame Rack

ADVANTAGES

- Store and move frames, pallets, or any rigid panel or substrate
- All-steel construction for years of reliable service in production environments
- Rust-resistant finish
- Heavy-duty swivel casters provide easy and secure mobility
- Use with wood, aluminum, or roller frames
- Free up floor space and improve setup times

Free up space in your workshop and reduce setup times with AWT's Frame-Mate™, the handy solution for storing and transporting large, heavy, or bulky screen frames, pallets, or any rigid part or substrate.

Built of durable steel and equipped with heavy-duty swivel casters, this mobile rack can handle wood, aluminum, or roller frames up to 50 x 60" (127 x 152 cm) O.D., or even larger, depending on the shape.

Featuring rust-resistant, heavy-gauge steel wire dividers, the durable Frame-Mate provides easy mobility, secure mobile storage, and quick access to your heaviest and bulkiest substrates.
