

Cameo™ Graphics Screen Printers - NEW Retrofit Chopper Assembly Now Available

CHICAGO, March 29, 2013 The Cameo™ Graphics Screen Printers are designed and manufactured with the toughest print shops in mind. These rugged printing machines have a long history of providing many years of continuous, reliable service.

Manufactured by A.W.T World Trade Inc., a NEW retrofit **Chopper Assembly** is now available to convert your Cameo™ to a system with squeegee and flood bar angle adjustments and tool-free pressure control. Upgrade your machine for better print quality and easier and faster setup times! The new chopper assembly is now standard on Cameo 30 and Cameo 38, and is an option on all other models. It is also available as a retrofit for your existing Cameo™.
